I verify that the patient and physician information contained in this Enrollment Form is complete and accurate to the best of my knowledge and that I have prescribed the product based on my professional judgment of medical necessity.

I certify that, to the best of my knowledge, if the patient receives free product through the Destination Access Patient Assistance Program, the patient referenced above does not have any assistance with prescription drug costs for the product from private or public sources, will forego any appeal of any denial of insurance coverage for this medication if provided free-of-charge by the Destination Access Patient Assistance Program, and it would present a financial hardship for this patient to cover the cost of this medication. I agree to immediately notify the program representative if the patient's insurance or income status changes. I represent that the patient information I have provided is accurate and consistent with applicable privacy laws and regulations, and I understand that BMS and/or its agents are relying on this representation. I further certify that no reimbursement of the cost of product will be accepted by me from public or private sources, including patients, for any treatments where product will be provided free-of-charge by BMS.
