HIPAA Form

I, _____, authorize my prescriber(s), my health plan or insurers, and any other healthcare providers to give to Armada Health Care, the Program Administrator, and/or any other affiliated companies, subcontractors, vendors, and/or partners (collectively "Program Administrator") health information that helps with my enrollment into, and for proper administration in determining coverage for the prescribed ProStrakan product under my current health insurance plan.

This information may include spoken or written facts about my medical condition, my health insurance benefits, name, date of birth, address, telephone number(s), social security number, and/or financial information. It may include copies of records from my healthcare providers or health plans outlining my medical history and my treatments. All of this information may be considered protected health information (PHI) as governed and protected by the Health Insurance Portability and Accountability Act (HIPAA) of 1996 as amended and under the rules and regulations there under.

I authorize Program Administrator and Armada Health Care to use and/or disclose my PHI for the following purposes:

- Determine whether my health insurance benefits will pay for Program Administrator's product
- Locate a specialty pharmacy for me that can fill my prescription, if applicable, and facilitate dispensing of my prescription by sending my information to that specialty pharmacy
- Determine my eligibility for participation in or to help find other ways to pay for those products, and for proper management and administration of the program
- Provide free information and patient educational materials to me about my condition, treatment options, products, and/or program offerings
- Provide me with information about compliance with treatments my healthcare provider has prescribed

I know that people who work for and with its sponsor, Program Administrator, may use and receive my information, but they may use it only as authorized in this form or for such purposes as may be required by applicable law. I understand that Program Administrator will keep my information private and use and disclose it only as allowed on this form. I understand that, once it is disclosed, it may be further disclosed by the recipient(s) and federal privacy laws will not protect it if the entities receiving the information are not subject to those laws.

This Authorization will last for five years after the date I sign this form. If I change my mind before that time and want to stop participating in the program, I can tell Program Administrator by writing to the address on this form that I want to cancel this Authorization. I understand that I cannot cancel any actions that have already been taken by relying on this Authorization.

I know that I may refuse to sign this form. My choice about whether to sign this form will not change the way my healthcare providers treat me. However, I understand that my refusal to sign this form may not allow me to participate in this program. I understand that Program Administrator does not promise to find ways to pay for my medication(s) and I know that I am responsible for the costs of my care. I agree that a copy of this form may be treated as a signed original.
