All prescriptions are evaluated by a pharmacist before being filled. For some medications, the quantity may be less because of dose restrictions set by therapeutic guidelines and state regulations.

**NOTICE: All CONTROLLED SUBSTANCE (CS) medications have limits on how long a prescription is valid. Prescriptions are only valid for a maximum of six months or a physician's stop date, whichever is less. Controlled substance quantities are limited to a 90-day supply or less based on the physician order. Authorized refills are not to exceed these parameters.**

Rx Outreach is a fully licensed pharmacy. Rx Outreach reserves the right to add or delete medicines available, change fees, or discontinue the program at any time. Rx Outreach does not accept returns of unused medicine dispensed pursuant to a valid prescription or refund fees for any such prescription. You are responsible for the package upon delivery. All prescriptions are evaluated by a pharmacist before being filled. The quantity may be limited based on dose restrictions set by therapeutic guidelines and state regulations. We cannot ship controlled substances to a P. O. Box or doctor's office. Your shipping address for these must be a deliverable U. S. Postal Service street address.
