Patient Acknowledgment and Consent

The COMMITMENT TO CARE program is a service of Schering Corporation. Collection of certain insurance, financial, and medical information is necessary in order to evaluate your enrollment into the program and, if enrolled, to provide you program services. The program services include verifying your insurance benefits, identifying potential alternative benefits for which you may be eligible, and/or evaluating you for participation in the COMMITMENT TO CARE program. Except as discussed below, and except as permitted or required by law, this private medical, insurance, and financial information will be kept confidential and will not be shared with any third parties. Your information may be shared or disclosed in order to fully evaluate you for initial and continued enrollment in the program. For example, personal information may also be shared with physicians and health insurers in order to provide you with program services. In addition, we are required to report certain personal information to Schering Corporation in order to comply with FDA reporting requirements. Finally, nonidentifiable information from all program participants may be summarized for statistical or other purposes, but your identity cannot be determined from this summary information. By enrolling in COMMITMENT TO CARE, you are agreeing to this acknowledgment and consent.
